Certificate of Satisfaction

This is to certify that **D. Lakshmi Bhavana (238W1A0579), D. Neha (238W1A0580), and P. Reddy Manikanta (238W1A05A5)** have successfully completed the *Engineering Projects in Community Service (EPICS)* project titled **“EcoCountAI: Automated Tree Enumeration for Forest Conservation”** during the period **June 2025 to Nov 2025**.

The problem statement for this project was provided by **District Forest Office (DFO)**. The student's dedication, professional conduct, and valuable contributions toward addressing the needs of the community/organization have been highly appreciated. Their efforts have positively contributed to achieving the project's goals and objectives.

I hereby acknowledge their satisfactory performance and extend my best wishes for their future endeavor

Certificate of Appreciation

Dear DR K L Sailaja,

I would like to express my sincere appreciation for your invaluable guidance and unwavering support throughout the EPICS project titled **EcoCountAI:Automated Tree Enumeration For Forest Conservation**. Your expert advice, patience, and encouragement have greatly contributed to the successful planning and execution of this project.

Your dedication to mentoring and fostering the students' learning experience is truly commendable. I appreciate the time and effort you have invested in ensuring the project's objectives were met with quality and professionalism.

Thank you for being an essential part of this initiative and for your continued commitment to excellence.
